Frequently Asked Questions....

Here are just some of our most popular asked questions – but for more FAQs visit our website

Do you charge corkage?

Absolutely not, bring along your own drinks, with an option to have members of our team to serve drinks on the day

Do you provide a wedding coordinator?

We don't get involved in planning or coordinating your wedding – but we are here to support you & signpost you to any suppliers. We can recommend a local wedding planner should you desire some extra reassurance on the day.

Can we bring our dog?

We know what an important part of the family they are. Couples are permitted to bring their own dog with them during the day, providing they have a designated person to care for them and be responsible. Dogs must be on a lead at all times and off site by 7pm each day. We can recommend a fabulous local dog sitter and wonderful overnight doggy accommodation.

Where locally can we get legally married?

Uttoxeter and Ashbourne have beautiful Town halls just 5 minutes drive from the venue where you can have a legal ceremony.

Can we invite more guests in the evening?

We are an intimate wedding venue with facilities suited to no more than 30 guests.

Can we decorate the venue?

Yes! That's the beauty of dry hire – bring your own decorations and style the venue the way that reflects your personality.

Is the Barn Disability friendly?

The barn venue is accessible for wheelchair users and provides access for disabled guests. The accommodation does have steps – so we would invite you to view the venue to see how we can support guests with specific needs.
